

PT. B.D. SHARMA POST GRADUATE INSTITUTE OF MEDICAL SCIENCES, ROHTAK
DEPARTMENT OF BIOTECHNOLOGY & MOLECULAR MEDICINE

VACANCY ANNOUNCEMENT
POST DOCTORAL RESEARCH ASSOCIATE

Applications with credentials on plain paper are invited until 15.12.2014 from the eligible candidates having following qualifications and expertise on purely temporary basis for the post of Post Doctoral Research Associate on monthly consolidated emoluments of Rs. 25,300/- only (including 10% HRA), to be engaged for a period of two years in the Indian Council of Medical Research funded research project “Molecular Profiling Studies on CNS (Brain and Spinal) Tumors” sanctioned in the Department of Biotechnology & Molecular Medicine. Details are also available on Institute Website (www.pgimsrohtak.nic.in). Candidates are required to submit an abstract of their Ph.D work and up to date resume at btmm.icmrproj@gmail.com Shortlisted candidates shall be contacted via-e mail for further discussion/interview.

QUALIFICATIONS AND EXPERIENCE

1. Master Degree in Biotechnology/Life Science from a recognized university.
2. Ph.D. degree in Biotechnology/Life Science or allied discipline from a recognized institution
3. CSIR/DBT/ICMR/UGC/GATE test qualified.
4. Demonstrated expertise in Molecular Biology Techniques as evidenced by good published work is essential. Candidates is expected to have good knowledge about functional anatomy and physiology of human brain, gene profiling, regulation and expression in normal and cancerous brain, role of transcription factors, protein purification and characterization methods, EMSA and FISH besides routine molecular biology techniques. Previous competence in molecular neuroscience, cell signaling, microarray, molecular immunology etc. and experience in dealing with brain biopsies would be an added asset.

Dr. Dhara B. Dhaulakhandi
Head
