Dear Colleague!

It's our privilege to invite you for the first ever ALUMNI MEET being organized on 23rd & 24th February, 2008 at our Institute. We are expecting alumni of all the batches to participate in the meet. Since many of us have been away from this place for many years, it will be wonderful to see old friends after such a long time and foster new ties as well. Over the years, the college has undergone a good deal of transformation and you will observe several new developments. We hope you must be eager to learn what all has happened over these years and how the college has grown up? It's a great opportunity to interact with your batch-mates and relish & refresh your past memories.

At the moment we are in the process of chalking out the finer details of the programme, but to apprise you in brief, the event will begin with welcome and registration on 23rd February around lunch time followed by a thrilling cultural evening and a sumptuous dinner. Next day, we will have a social interaction session, presentation of mementos and we disperse after brunch.

A bit about the contribution*- **Rs. 3000/-** for a couple, **Rs. 4000/-** if accompanied by one child, **Rs. 5000/-** if joining with all your children and **US Dollar 200** (for single/couple), **US Dollar 300** (for family) for our colleagues abroad. We are confident that you will rejuvenate your relations, share knowledge and past pride, new ideas and thoughts with fellow beings and will benefit from their experiences.

We heartily welcome you to Rohtak to visit your *alma mater* and have a gala time. Please confirm your participation by return post, e-mail or telephone. Kindly enclose your personal details along with the family photograph. A souvenir will be brought out on this occasion. We can make additional contribution* to the kitty by way of insertions in the souvenir. The charges would be **Rs. 10,000/-** for a full page and **Rs. 6000/-** for the half page. We will be awaiting your reply, preferably by **15 January**, but would expect that you get back to us at your earliest possible.

Looking forward to see you in Rohtak coming February.

Dr. S.S. Sangwan
