IMPORTANT NOTICE WITH REGARD TO ADVT. NO.7/2018

This is for information of all the concerned that written screening test for the posts of Clerk, Steno-typist, DEO, Assistant Security Officer and Security Supervisor was conducted on 27.01.2019. It was noticed that some candidates had applied by logging in with multiple Ids while applying for more than one category of posts. Due to this more than one roll number was generated and issued to them. As this was a common written screening test for all the above mentioned posts, a candidate who had applied for more than one post was required to appear against one roll number only although his candidature for other posts would remain valid and the marks secured by such candidates would be considered for other category of posts as well. Further, in such cases, the status for the candidate who had applied with multiple login Ids would get reflected as 'absent' for the rest of roll numbers generated. This notice is being issued to avoid any misunderstanding/confusion in the public in this regard.
